CATONSVILLE SANTA HOUSE

Catonsville's beloved tradition of the Christmas Tree Lighting and Santa's arrival to town celebrated its 31st Anniversary this year. The original tree, donated by John and Pat Kirby from their family owned JCK Christmas Tree Farm, was planted by the Morgan family and firefighters from Station 4 in 1994. A few years later, the Weinkam family started the Catonsville Santa House which was rebuilt in the early 2000's. Currently under the guidance of the Webb family and the Catonsville Men's Civic Association, our community enjoys weekly concerts and assorted entertainment as Santa visits town each Friday and Saturday throughout the month of December.
